

# School Study Tour & Study-in-China Preview

For middle schools, high schools, agencies, families, and student groups comparing China study options.

## ROUTE BRIEF

### Why this route is valuable

- Campus visits, Mandarin practice, culture tasks, student-life comparison, and parent-ready safety planning.
- University matching context across C9, 985, 211, MBBS, language, bachelor, master, and PhD routes.
- Student reflection sheets turn travel observations into a city, major, and university shortlist.
- Follow-up path: application planning, CSC strategy, visa guidance, and parent consultation.

### Core modules

- Campus visit subject to approval
- Mandarin and culture tasks
- Safety and supervision plan
- Admissions follow-up

All company, hospital, lab, school, and campus visits are subject to host approval, academic calendar, security policy
